

Verification of Identity Certificate

This form is used for Verification of Identity conducted in Australia by face-to-face interview or by Smart Verify.

Instructions for completing this form

- 1. The verifier is to attach evidence of the Verification of Identity to this document as follows:
 - Where verification was conducted by Smart Verify: a copy of the ID Verification Report.
 - Where verification was conducted by face-to-face interview: copies of the original identification documents provided.
- 2. Place a tick (/) in the box beside the documents for which copies have been provided for Verification of Identity.
- 3. Sections 3 or 4 are only to be used where the verifier is reasonably satisfied that the documents required to complete Section 2 cannot be produced.

Identity Document Requirements

- Current, unexpired and original documents must be used for verification unless otherwise stated.
- If any document is written in a language other than English, it must be accompanied by an English translation prepared by an accredited translator.
- The verifier must be reasonably satisfied that the photographic documents bear a reasonable likeness to the person being identified.
- Banker must ensure all copies of identification documents provided are clear and legible.
