- To the best of my knowledge and belief, the entry into the **transactions** and performance of the **obligations** under the loan documents by the **Trustee** is considered to be for the benefit of the **trust**; and
- The terms of the **trust documents** examined by me do not restrict the right of the **Trustee** to be fully indemnified out of the assets of the **trust** to satisfy any liability of **the lender** properly incurred by the **Trustee** as trustee of the trust arising out of the transactions contemplated by the **loan documents**; and
- The **trust documents**, consent(s), authorities or other documents examined by me, enable the **Trustee** to enter into and perform the **transactions** despite any conflict of interest and duty which may arise on the part of the **Trustee**; and if the **Trustee** is a company, of any of its directors, when entering into the **transactions** contemplated by the **loan documents**; and
- The **trust documents** authorise the **Trustee** to open bank accounts; and
- The **trust documents** authorise the **Trustee** to delegate the **Trustee's** powers; and
- The **trust documents** authorise the **Trustee** to enter into contracts in relation to trust properly, in the **Trustee's** capacity as trustee of the **trust**; and
- No consent is required from any beneficiary of the **trust** under the **trust documents** to enable the **Trustee** to enter into and perform the transactions; and
- This opinion is to be relied upon by the lender, the Nominee and their respective assigns.

\*All trustee applicants must attach a copy of the Trust Deed certified by an approved certifier as listed in Appendix B – Proof of identity.
